Features and Design

- Manufactured in Germany specifically to fit your bed.
- Cut and sewn individually to your size.
- Ideal for adjustable beds.
- This sheet is 97% cotton and 3% elastane.
- It is extremely comfortable, with a fully elasticated skirt, and the actual material is also elasticated throughout to give a nice snug fit.
- Perfect for use on adjustable beds as they will not un-tuck unlike more conventional sheets, when the head and foot ends are raised which in effect shortens the distance between the head and foot ends of the mattress.

Available colours

White	Beige	Pale Blue	Old Rose	Mocha

Several other colours are available, but because they are made in Germany, delivery time is approximately two months and minimum orders for special colours are four sheets.
