

Economy Memory Foam Mattress

British Vita (Vita Foam) is one of the worlds leading manufacturers of Memory Foam and Reflex Foam®.

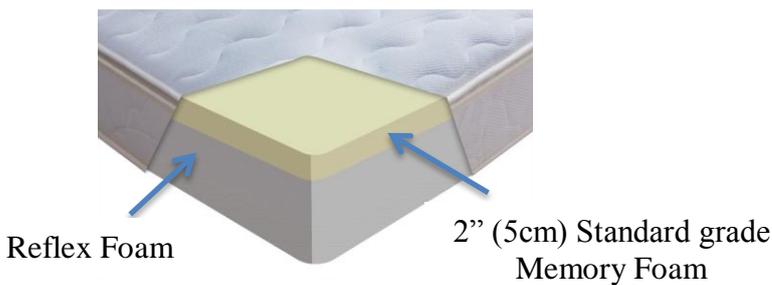

Comfort Options

The mattress is 8" (20cm) thick and constructed of a top layer 2" (5cm) standard quality Memory foam with a base layer of high resistance Foam

Choose between **Medium** or **medium/firm**. Your choice should be based on your weight, any specific medical conditions and personal preference.

- The combination of memory foam and a base layer of reflex foam gives comfort and maintains good posture.
- Our 'Economy Memory Foam Mattress' will give very good pressure relief however, funds permitting we recommend upgrading to our 'High Quality Memory Foam Mattress' for the very best comfort and support.
- A low price is achieved by using general quality foams and a reduced thickness top layer of memory foam.
- As a rough guide the option of **medium** would suit somebody up to 16 stone (102kg) and **medium / firm** for those above. We can give advice as there are other contributing factors.
- A quilted zip off washable cover is included as part of the mattress. [Spare Washable Covers](#) are available.
- Comes with a two year guarantee.

Choose between **Medium** or **Medium / Firm**

How it works

The base layer of Reflex foam maintains your correct posture but without the memory foam layer it would not be as comfortable.

The top layer of memory foam is heat sensitive and softens with your body warmth and weight to effectively reduce pressure points which in turn improves support and comfort.
